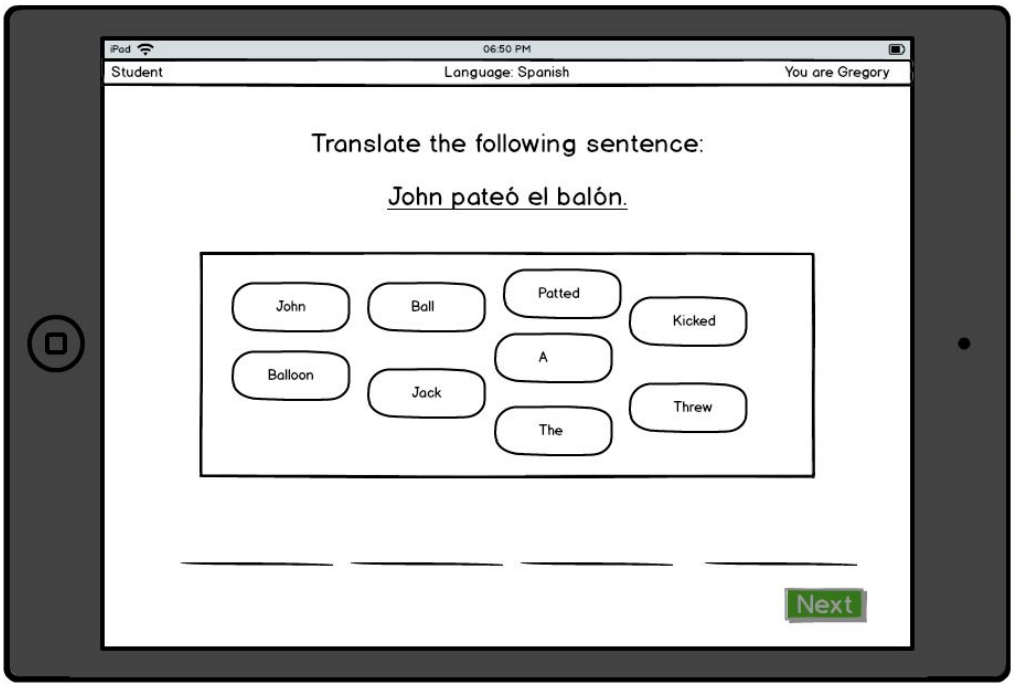
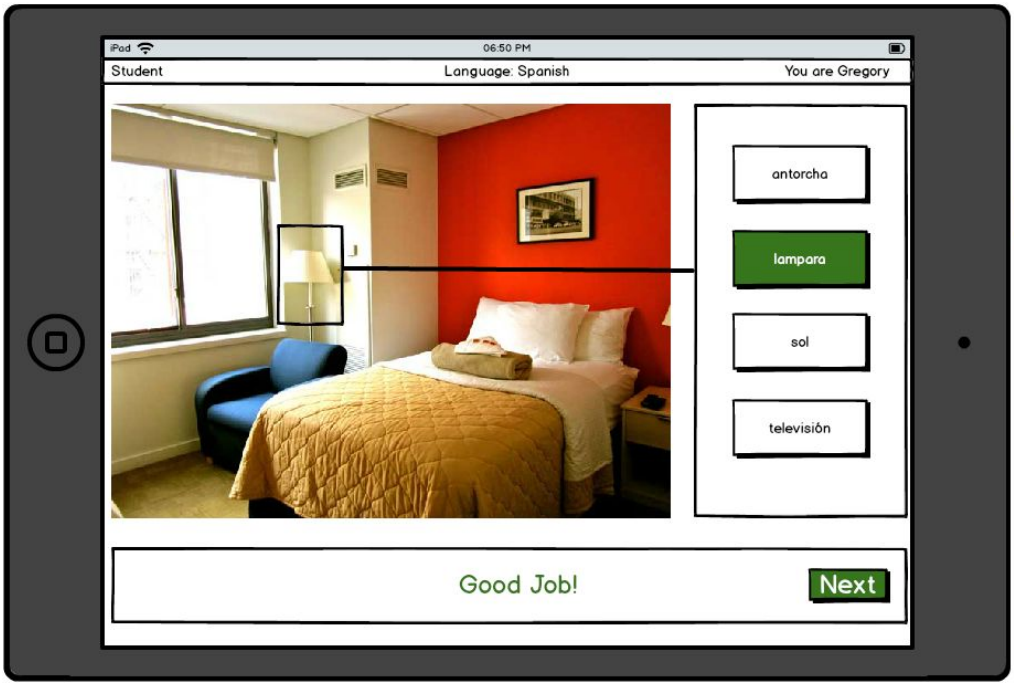
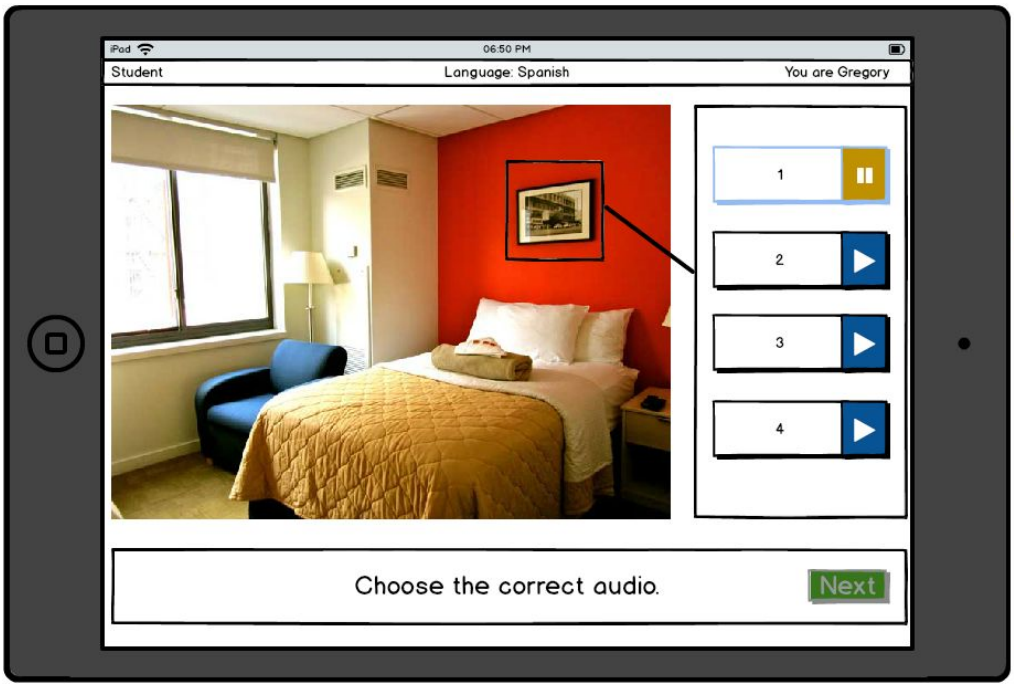
Student Challenges (Games)



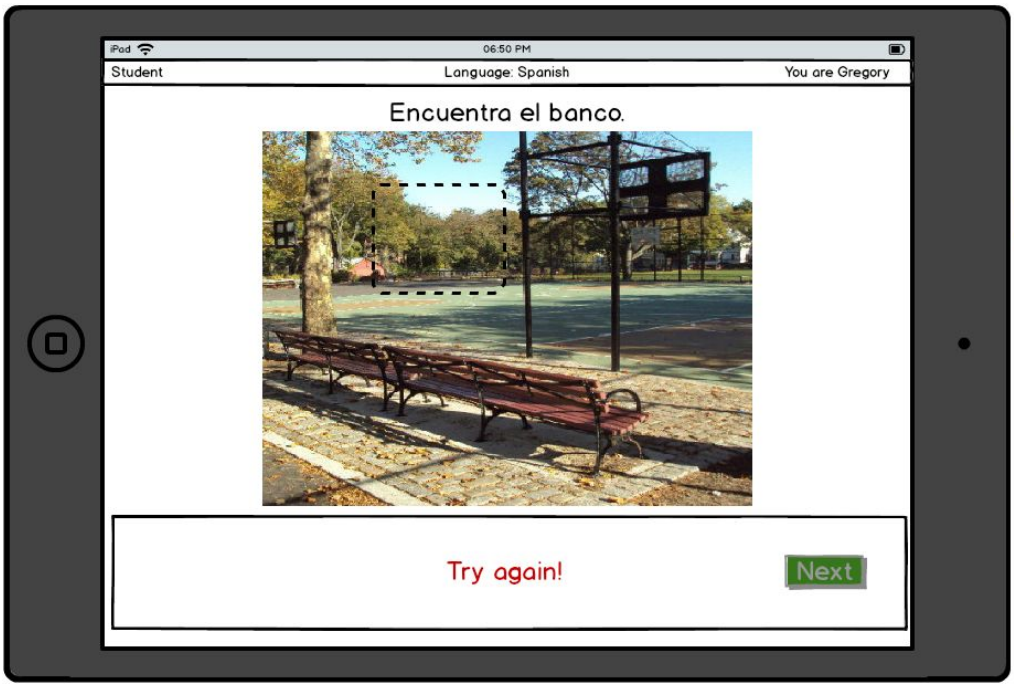
When the student makes a selection for each word/ syllable area, the student can press "Next" to go the next challenge.



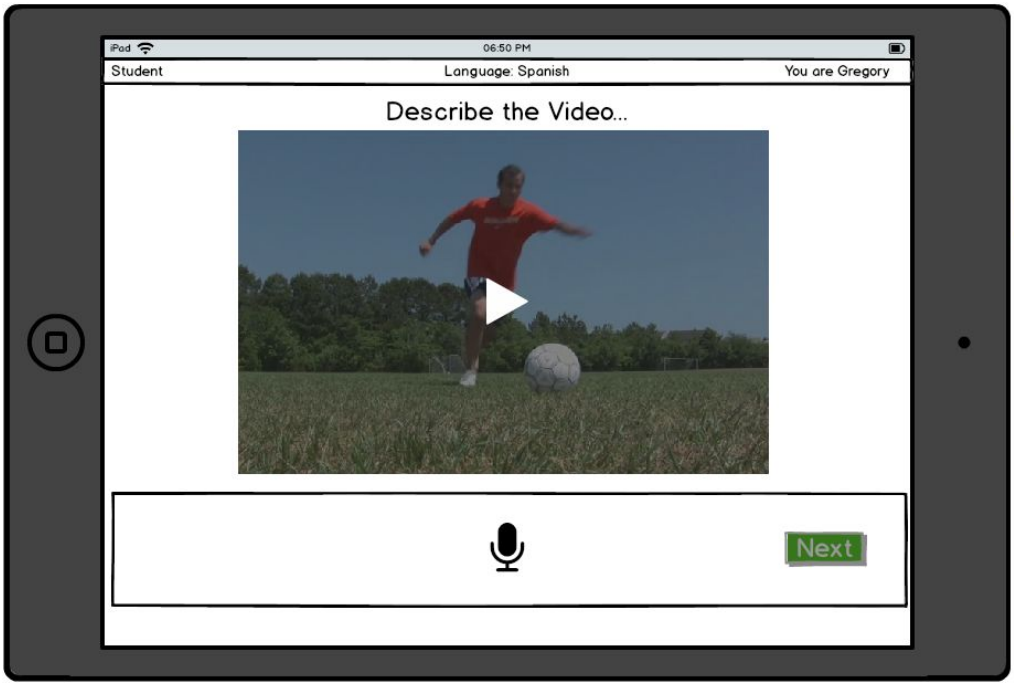
When the student selects the correct answer, the student can press "Next" to go the new tag in the image. If there are no more tags on the image, the student will proceed to the next challenge, or finish the level.



When the student selects the correct answer, the student can press "Next" to go the new tag in the image. If there are no more tags on the image, the student will proceed to the next challenge, or finish the level.



When the student selects the correct part of the image, the student can press "Next" to go the next challenge.



When the student records an answer, the student can press "Next" to go the next challenge. The answer will be graded later by the teacher.
